

ALPHABEES!

2-6

10- 15'

8+

Rosaria Battiato and Massimo Borzì

In Alphabees, you are creative bees in a flower-filled field competing to form **words**! Roll the special dice, watch the letters scatter like pollen, and be the fastest to say the word. Beware: if enough bees appear on the dice, the **game changes**: it's a race to the hive! The first to reach it earns extra points and flips a new tile. Alphabees is a game of quick observation, reflexes, and clever combinations.

COMPONENTS
